Profile

What is NIOS?

What does NIOS do?

How does NIOS Function?

What is NIOS?

NIOS is an "Open School" to cater to the needs of a heterogeneous group of learners up to pre-degree level.

It was started as a project with in-built flexibilities by the Central Board of Secondary Education (CBSE) in 1979. In 1986, the National Policy on Education Suggested Strengthening of Open School System for extending open learning facilities in a phased manner at secondary level all over the country as an independent system with its own curriculum and examination leading to certification.

Consequently, the Ministry of Human Resource Development (MHRD), Government of India set up the National Open School (NOS) in November 1989. **The Pilot Project of CBSE on Open School was amalgamated with NOS Through a Resolution (No. F.5-24/90 Sch. 3 dated 14 September 1990 published in the Gazette of India on 20 October 1990, the National Open School (NOS) was vested with the authority to register, examine and certify students registered with it up to pre-degree level courses.** In July 2002, the Ministry of Human Resource Development amended the nomenclature of the organisation from the National Open School (NOS) to the National Institute of Open Schooling (NIOS) with a mission to provide relevant continuing education at school stage, up to predegree level through Open Learning system to prioritized client groups as an alternative to formal system, in pursuance of the normative national policy documents and in response to the need assessments of the people, and through it to make its share of contribution.

- To Universalisation of education
- To greater equity and justice in society
- To the evolution of a learning society

What does NIOS do?

The National Institute of Open Schooling (NIOS) provides opportunities to interested learners by making available the following Courses/Programmes of Study through open and distance learning (ODL) mode

- Secondary Education Course
- Senior Secondary Education Course
- Vocational Education Courses/Programmes

How does NIOS Function?

NIOS operates through a network of five Departments, Regional Centres and Accredited Institutions (Study Centres) in India and abroad. **It has a current enrolment of about 4.2 million students at Secondary Senior Secondary & Vocational levels which makes it the largest open schooling system in the world.**
